

## List of approved providers and courses (as at April 2024)

Members of the public and the profession are advised that, as at April 2024, the below list comprises of the only approved providers of pharmacy education and training, and the courses approved/accredited by the South African Pharmacy Council.

In terms of Section 34 of the Pharmacy Act, 53 of 1974, the South African Pharmacy Council (SAPC) is responsible for approving pharmacy education/training programmes and institutions. No person or institution may provide pharmacy education and training without being approved by the SAPC. As at March 2024, the tables below enlist the only approved providers of pharmacy education and training as well as the approved/accredited courses.
