SAPC e-Note: Notice of upcoming SAPC virtual intern workshops

Dear Pharmacist Interns, Tutors, and Responsible Pharmacists,

SAPC e-Note: Notice of upcoming SAPC virtual intern workshops

According to the *Regulations relating to pharmacy education and training* (GNR.1156 of 20 November 2000) any person who holds a qualification in pharmacy must, prior to registration as a pharmacist, undertake an internship to the satisfaction of the South African Pharmacy Council ("Council") for a period of not less than one year.

In terms of the programme for the pre-registration year, Council has scheduled information sessions (intern workshops) which must be attended by interns. The workshops will take place virtually (Microsoft Teams) during the months of February and March 2025 over a period of three days as per the table below. Tutors are not obliged to attend the intern workshops as the Office of the Registrar has scheduled separate tutor workshops this year.

INTERN WORKSHOP SCHEDULE	
DATE	TIME
06 February 2025 Thursday	18h00 - 21h00
20 February 2025 Thursday	09h00 - 12h00
31 March 2025 Monday	18h00 - 21h00

Interns must book online on Council's website for the workshop. A notice will be sent out with online booking instructions for interns. Please note that all registered interns must attend the workshops annually as guidelines, assessment criteria and timetables may have changed. Please note that the workshop content is the same for all three workshops and therefore you only need to attend one workshop.

Please feel free to contact the SAPC at interns@sapc.za.org or customercare@sapc.za.org should you require assistance.

Yours sincerely,

Vincent Tlala
Registrar/CEO
