09h00 – 12h30	Write the Examination
12h30	Complete the post-exam survey

****Please be patient when waiting for the examination to start at 09h00. If the laptop/desktop has been idle for 15 minutes a pop-up message will appear to request you to click “continue” to prevent you being logged out of the examination platform.***

Where to access the examination?

The examination can be accessed on the SAPC website under **Registered persons** → **Learner** → **Assessment**. Alternatively use the below URL to connect:
https://www.pharmcouncil.co.za/Learner_Assessment

Please note that the Examination Code of Conduct must be adhered to at all times. If you are found to contravene the code of conduct disciplinary action will be instituted.

Who can you contact for help?

If you need to contact SAPC before you logon to the exam platform, use the WhatsApp number		+27 76 341 8929
If you need to contact SAPC once you have logged onto the exam platform, click on “Chat with invigilator”		

Before the exam, please check that your cell phone number has been recorded correctly on the SAPC website.

What do you need for the exam?

- Laptop/Desktop with a camera
- Smartphone as a second device
- Pen/pencil & paper
- Reference materials
- Calculator

Please note the following profile picture requirements and the instructions to test the camera on your device.

PROFILE PICTURE

Login to the SAPC secure website and upload a suitable profile picture. The picture needs to be:

- a colour image taken within the last 6 six months;
- of your head and shoulders; and
- against a plain background.

When loading the picture on your profile, ensure the picture is correctly rotated.

TESTING OF YOUR DEVICES

Before you write the examination, you need to check that the browser you are using can access your camera and location. You also need to enable pop-up messages.

The operating system on most devices has an inbuilt camera app. Select the start button and select the camera from the list of apps. Open the app and ensure that you can see a clear image of yourself.

Use the following link: <https://proctorededu.com/check> to test the compatibility of your laptop/desktop.

Please be aware of the following:

- You may not wear anything that is covering your face.
- Avoid sitting in front of a window or light source. Alternatively, close curtains or blinds.
- Ensure that your camera is correctly positioned so that your face is in the middle of the screen.

When will you receive your results?

Results will be released within 2 days of the Practice EISA.
