SAPC e-Note: CHANGE OF DESIGNATION TO NON-PRACTISING

Dear Pharmacist,

SAPC e-Note: CHANGE OF DESIGNATION TO NON-PRACTISING

Please find attached a letter confirming the change of your designation from “Practising Pharmacist” to “Non-practising Pharmacist” due to non-compliance with Continuing Professional Development (CPD) requirements for 2024. This change means that you may not engage in any activities relating to the scope of practice of a Pharmacist.

If you wish to continue practising as a Pharmacist, please submit your outstanding CPD entries to meet the 2024 CPD requirements and complete the online application form to request a change of your designation from non-practising to practising.

You are also required to complete the attached manual application form and upload it to the online application.

Yours sincerely,

VM Tlala
