SAPC e-Note: PHARMACIST INTERN: TECHNICAL CHALLENGES DURING THE PRE-REGISTRATION PRACTICE EXAMINATION - 04 JUNE 2024

Dear Pharmacist Intern,

The South African Pharmacy Council (SAPC) is aware of challenges experienced by some interns during the practice examination conducted on 04 June 2024. As a result, the SAPC will be conducting another practice examination to afford interns who experienced challenges and could not proceed with the examination the opportunity to write, in preparation for the August 2024 examination.

This opportunity is not only open to interns who experienced challenges but to any other intern who would like to re-sit the practice examination.
